Guidelines for Parents

- Login at least 5 minutes prior to the event time
- Children have to settle down within 2 minutes of start
- Keep the camera on
- Keep the Laptop at a distance where the child can hear and interact with the teacher
- The child should have space to do physical activities
- Raise your hand on zoom or write anything you might need on Zoom Chat and one of our team members will respond
- Always accompany your kid for parent-child sessions
- As much as possible, please keep the materials you need for the camp ready at least 1 day prior to the day's event.
